

Travel Counseling Information

Welcome to Fremont Family Practice. We are happy to assist you in medical counseling and vaccinations prior to your upcoming travel plans. To help us provide the best care we ask that you read, sign and bring this form to your visit. In addition, please complete the enclosed form regarding your travel itinerary, dates of travel and medical history.

It is important to remember to bring in any previous vaccine records with you to your office visit.

Common travel vaccines we carry in our office include: Hepatitis A, Hepatitis B, Tetanus, MMR, Polio, Meningococcal, Yellow Fever, and Influenza. For malaria and typhoid written prescriptions will be given if indicated.

We typically follow the recommendations outlined by the Centers for Disease Control, and suggest you visit their health site at www.cdc.travel.gov if you have time prior to travel.

We wish you happy and safe travels.

Payment for counseling and vaccinations/Consent

If you have health insurance please confirm that they cover travel counseling and vaccinations. **NOT ALL INSURANCES COVER THESE SERVICES.** If they do not cover any of the services you will be expected to pay at the time of service. We are happy to bill your insurance any services covered, however you need to give us your insurance information.

Fees for services are as follows. Travel counseling office visit is \$120. Vaccines range from \$25-30 each (Tetanus, MMR, Influenza, and Polio) to \$65-100 each (Hepatitis, Yellow Fever, Meningococcal). Vaccine administration fee are \$5 per vaccine.

I understand that any travel services not covered by my insurance will be my responsibility to pay at the time of the visit.
